

Dear Family or Friend of COHSS,

This is an invitation and an opportunity to participate in a campaign that provides resources for many people... This is our second annual campaign to raise additional funds by our 13th Church Anniversary. Our Campaign: "Out of the Box", goal for this year is \$15,000.00. We celebrate our 13th year serving the South Florida community on Saturday, August 6th.

Who are we? We are a church family serving together to make this world and our church home a better place. Our mission statement: "Igniting the world for Christ one life at a time". We encourage congregates to share their personal Spiritual Gifts, to open their Hearts, apply their Abilities, express their Personality and to grow through Experiences.

By keeping to Biblical teachings and accepting each person as they are we are able to foster strong bonds with one another. We practice loving all who come through our church doors and reaching out by offering meals and cloths to those in need. We will continue on our journey as God guides each of us through our lives. If you can you find a way to bless Church of the Holy SpiritSong with a donation in any amount, we know that it is going to be utilized for His highest good.

Thank you for your time, love and kindness, God Bless.

The SpiritSong Family

Note:
